Hotline Calls: Calls to KidsCare Hotline that were answered during the month

New Applications Received - Forms: Count of application forms received in the KidsCare Office including Health-e-AZ applications. An application may be for any number of people in the household but is counted only one time. Forms are counted on the day received.

New Applications Received - Children + Parents: Count of individuals who are requesting KidsCare or HIFA coverage. Requests may be received on application forms described above, as an application to add a new person onto existing cases, or as an automated application sent by DES as the result of the discontinuance of Medicaid eligibility and not approved automatically. Individuals are counted on the day entered into the KidsCare database.

New Applications Processed - Children + Parents: Counts individuals whose application for eligibility, described above, was either approved or denied during the month, except those submitted by DES electronically and approved automatically. The application may have been received during the same month or a prior month.

Renewals Processed - Children + Parents: Counts all children and parents whose annual application for renewal was processed during the month. Eligibility may have been continued or ended.

Changes Processed - Children + Parents: Counts all reported changes processed during the month when the changes were not associated with a new application or the eligibility renewal process. The change may have resulted in discontinuance of eligibility or change of premium, or may have no affect on either premium or eligibility. Each eligible person in the household with the change is counted.

DES to KidsCare Children: Beginning December 2006: Children and parents whose Medicaid eligibility was terminated by DES and referred to and approved by KidsCare automatically. Not included in other counts. Applications requiring action are counted as New Applications Received and Processed. Before December 2006: Children whose Medicaid eligibility was terminated by DES and referred to KidsCare automatically. All required action on the part of KidsCare staff and are included in the "New Applications Received" and "New Applications Processed" counts.

KidsCare to DES Children: Children who have applied or who are eligible for KidsCare and are identified by KidsCare staff as meeting Title XIX requirements. Their applications are forwarded to DES for determination. These children may be included in any of the other counts.
